## ABOUT ME

---

I am a second-year student at West Ukrainian National University. I have good strategic planning skills and enjoy creating creative projects. I can easily make new connections and communicate with different types of people. I take part in university activities, including the *School of Young Experts*, and I want to continue growing in this project. I also joined many school events and sports activities, which helped me develop teamwork and discipline. I am ready to learn more and take part in projects that help the community.
